

Power Rotary Scissors

A powerful attachment that fits ANY BRAND string trimmer or brush cutter.

Counter rotating blades create a clean, sharp cut in any use. The 20:1 reduction ratio and automatic stopping blades means the Power Rotary Scissors are incredibly safe, fast and efficient. Blades are easy to sharpen and replace as the gear unit can be completely disassembled for easy maintenance.

Blade Diameter = 9.5 Inches

Edging: Bunkers, Cart Paths, Landscape Beds

Trimming: Trim along fence lines, buildings, stakes

**Optional Oversize Blade Kit =
11 Inch Diameter
(Part No.: PRS-SK11)**

The Power Rotary Scissor head is easy to attach and easy to maintain. Multiple shaft adaptors are included in the box with the fully assembled head. The optional 11" diameter blades can be inserting quickly and easily. Attach this to a string trimmer or brush cutter in minutes and instantly increase productivity and safety.

To Order, Use Part Number: PRS-9.5
